

CA CLEAN

REMOVES RUST, LIMESCALE AND CEMENT

RESIDUE

Ready to use in foam trigger

Action over longer period possible

Safe for stainless steel, rubber, ceramic and plastic materials

GENERAL INFORMATION

Product description

- Cleaner for descaling and removing rust deposits from all bathroom facilities with acid-resistant tiles.
- Safe to use and ideal for chromed or stainless steel taps and pipes.
- Recommended for the cleaning of plastics or stainless steel equipment that is often cleaned with alkaline products and frequently rinsed with water.
- Thanks to the foam, the product is active in the right place and will not sag.
