

CT7-811 HAND CLEANER

HAND SOAP FOR STUBBORN DIRT

Quickly removes grease, oil, paint, ink, glue, resin, silicone and tar.

Skin-friendly formula with natural scrubbing agent.

Can also be used without water.

GENERAL INFORMATION

Product description

This hand soap quickly removes the most stubborn dirt without irritating the skin. The soft natural granules provide pore-deep action with respect for the skin. Moreover, these granules are biodegradable and do not contribute to the formation of microplastics. Concentrated formula, economical in use.
